Subject: Footings Approval, Unico, Inc, Deer Trail - Unico, , M/031/003, Piute  
County, Utah

Dear Mr. Proctor:

I recently received a call from you requesting authorization to pour footings for a silo to be installed on the side of the Deer Trail mill building.

I gave you an approval to complete this work for the sake of expediency because the addition of this feature is necessary to get the mill up and running. My approval was conditioned upon the inclusion of this additional work in Unico's amended plan.

In the future please submit requests of this nature in writing. If you have any question regarding this matter please contact me at (801) 538-5382.

Sincerely,

Doug Jensen  
Senior Reclamation Engineer
